

NOTIFY™

Mass Messaging from
SchoolStatus

**SEND ONE MESSAGE,
REACH ALL STAKEHOLDERS.**

Notify extends your communication capabilities with call, text, email and social media posts to your entire district. Whether it's an emergency, attendance, or a special announcement, Notify relays your important messages to the right people, right away.

INSTANTLY REACH ALL DISTRICT | SCHOOL | GRADE | STAFF

Send one message, reach all stakeholders. Select the delivery method—call, text, e-mail or all three. Social media integrations extend your reach to Twitter and Facebook.

EMERGENCY NOTIFICATIONS

Our Emergency notifications are rapidly routed with high-throughput priority, reaching hundreds of contacts in seconds.

SCHEDULE AND MEASURE COMMUNICATIONS FOR PEACE OF MIND

Plan messages in advance so parents or staff receive them at the optimal time. Delivery metrics show senders which messages were delivered and more importantly, which were not.
